

IN THE SENATE OF THE UNITED STATES.

JUNE 14, 1860.—Ordered to be printed.

Mr. DAVIS made the following

REPORT.

[To accompany bill S. 498.]

*The Committee on Military Affairs and the Militia, to whom was referred Senate bill No. 498, having had the same under consideration, report:*

That the bill allows to Mark W. Izard, late governor of the Territory of Nebraska, the sum of three hundred and eighty-six dollars and fifty-three cents, for moneys advanced by him out of the contingent fund of the Territory in aid of the expedition organized for the defense of the frontiers in the year 1855.

It appears that Governor Izard paid an account to Shield & Hileman, as stated above, out of funds not applicable thereto, and that in consequence thereof his vouchers for the amount has been suspended at the Treasury Department.

The committee, upon a full examination of the case, decide that the payment by Governor Izard was made by him under the impression that it was properly chargeable to contingent fund, and therefore report back the bill for his relief, without amendment, and recommend its passage.
